GLOBAL TABLEWARE COLLECTIVE

Global Tableware Collective (GTC) is a trusted name in the hospitality industry, bringing together a curated portfolio of brands to elevate the tabletop & buffet through collaboration, craftsmanship, and innovation. Our mission is to empower foodservice brands by providing them with a platform to thrive collectively and enable access to our vast resources, expertise, and distribution channels. With showrooms in Chicago, Los Angeles, Miami, New York, and Youngstown, GTC offers a dynamic, in-person experience that connects customers with its evolving portfolio while reinforcing its commitment to service and accessibility across key markets.

At the core of the portfolio is Stölzle Lausitz, a cornerstone brand that reflects GTC's dedication to quality, precision, and design. Alongside it, Global Tableware Collective brings together a distinguished group of partners, including Bonna Premium Porcelain, Mesa Ceramics, Dalebrook, Comas, G. Benedikt, Patra, Narumi, Zieher, and Zepe, each contributing unique expertise and perspective to the tabletop & buffet. Together, these brands form a cohesive yet diverse offering, thoughtfully curated to complement and strengthen the overall portfolio.

MESA
CERAMICS

Founded in 2017, Mesa Ceramics is a dynamic, forward-thinking Portuguese manufacturer that blends traditional craftsmanship with modern design to produce high-quality fine stoneware. Known for their dedication to excellence, Mesa Ceramics combines expert ceramic craftsmanship with the finest natural materials and cutting-edge technology to create stylish, durable products. Driven by a commitment to sustainability and innovation, Mesa Ceramics deeply respects the environment and its people. The company continues to push boundaries in design and production, offering trendy and functional products that meet the highest standards of quality.

Mesa's exclusive ID7 body, resulting from two years of research and development, further sets the brand apart. This innovative vitreous stoneware body delivers exceptional strength, durability, and performance while maintaining a refined, lightweight feel. Produced through an environmentally responsible process that includes single firing and digital decoration, ID7 reinforces Mesa's mission to provide sustainable solutions without compromising design or quality.

ÚNICO CORINTO GREEN

GERMAN DESIGN AWARD SPECIAL 2024

ICONIC AWARDS 2024 INTERIOR PRODUCTS winner

Award Winning Collections

The ÚNICO collection brings together a curated selection of GTC ranges: Aura Black, Corinto, Twist, Antracite, Gota Chalk, and Nacar, crafted to meet the demands of today's top chefs and hospitality environments. Designed to balance elevated presentation with lightweight performance, each piece delivers durability without compromising style. Engineered for everyday service, the collection offers enhanced resistance to chipping and wear, ensuring long-lasting performance in high-volume settings. With a focus on versatility, functionality, and refined design, ÚNICO supports everything from boutique dining experiences to large-scale hotel operations.

Micenas

CLÁSSICO

Micenas palette pairs effortlessly with a wide range of cuisines and décor styles, giving operators the flexibility to adapt menus or concepts without changing dinnerware. Subtle concentric ridges ripple outward from the center, while a softly speckled glaze and muted tones of sand, stone, taupe, and mist blue create a refined, versatile backdrop. Crafted for durability and everyday service, Micenas provides a reliable, stylish foundation that keeps the focus on the food while maintaining a cohesive, inviting table.

Antracite

ÚNICO

Bold and sophisticated, the Antracite collection brings a sleek, stone-like aesthetic to the table. Crafted from Mesa's innovative ID7 vitreous stoneware, each piece offers exceptional durability with a water absorption rate of less than 0.5%, making it highly resistant to chipping and wear. Featuring a rich, grey matte glaze with subtle reactive accents, Antracite creates a dramatic backdrop that enhances food presentation. Its rugged yet refined design makes it ideal for contemporary restaurants, upscale buffets, and stylish hospitality settings. Part of the Único Collection, Antracite blends robust performance with minimalist elegance, delivering a striking canvas for modern cuisine.

Fan Chalk

CLÁSSICO

Inspired by the graceful motion of wind turbines, the Fan Chalk Collection by Mesa Ceramics offers a sleek, contemporary canvas for culinary presentation. Crafted from Mesa's innovative ID7 vitreous stoneware body, these pieces are designed to resist edge chipping and endure the rigors of hospitality service without compromising on style. The chalk colorway features a refined matte white glaze accented by subtle glossy highlights, creating a striking contrast that enhances every dish. Perfect for fine dining, upscale events, and buffet settings, Fan Chalk combines durability with artistic flair, making every plate a masterpiece.

Care & Use

Our products are food safe and use digital printing as the decoration technology. The decoration is fused into the glazes during a single firing process, lasting 8 hours at 2140°F.

Cleaning

- Before usage, inspect all pieces and wash thoroughly before utilization.
- Do not use abrasive detergents and don't apply the detergents directly on the ceramic's surfaces.
- Use appropriate detergent quantities as well as detergents indicated for ceramics.
- Clean and remove leftovers after using, wash within 30-40 minutes of use.
- To avoid harsh metal marking use plastic/silicone spatulas on the pieces.
- When using a dishwasher, make sure to clean it frequently so there's no limescale build up that may harm ceramic pieces.
- Let the items fully dry before stacking or putting them away.
- Avoid pilling cutlery on top of the ceramics, especially when cleaning.

Warming

- Warm gradually & evenly.
- Avoid excess temperature variations such as taking the tableware from the fridge into the oven.

Preventing Scratching & Metal Marking

- During stacking process don't move around the pieces on each other.
- Avoid pressing lower grade cutlery on the surface, as it will cause metal marking damage.
- Do not slide, always lift products.
- Do not put hot wet dishes into contact with aluminium surfaces.
- Do not energetically place items on the sink as they can get scratched against each other.

Storage

- Preferably store the pieces on safe spaces, either stainless steel or with a shelf mat, to avoid metal marking.
- Keep ceramics, glassware and metals separate.
- Do not store the pieces while wet.
- Do not stack items not designed for it and don't over stack so there's no scratching due to weight.
- Do not stack with products from other suppliers.
