Vertex
CHINA
Versatility redefined.
CAT-7/6

VERSATILITY

REDEFINED

When he founded Vertex China over 35 years ago, Hoi Shum chose a simple company name that encapsulated his goals – Vertex China. A vertex is defined as the highest point, and Vertex China is truly the highest point of dinnerware manufacturers. We are a passionate group that "eats, breathes and sleeps" dinnerware. Our single goal is to not just be your dinnerware provider, but to complement your love of food and beverage by offering the highest point of quality, selection and service. Our dinnerware allows you to reach your Vertex.

ENVIRONMENTAL CODE OF CONDUCT

Vertex China is committed to maintaining a leadership position in minimizing the impact of our activities on the environment.

- *Vertex China has installed solar panels to minimize use of fossil fuels and use renewable energy to meet our power needs*
- *Actively promote recycling both internally and with our vendors*
- *Promote renewable containers through a no plastic bottle policy*
- *Recycle boxes for shipments and samples*
- *Promote sustainability and environmental stewardship with our vendors*
- *Meet or exceed all environmental legislation related to the Company*

PERSONNEL POLICY

Vertex China recognizes its talented and diverse workforce as a key competitive advantage. Our business success is a reflection of the quality and skill of our team. Vertex China is committed to hiring, retaining and promoting the most talented individuals to insure continued excellent service to our business partners and fellow employees. Vertex China builds and promotes a team that has ethnic, gender, language, orientation, religious, physical and mental diversity. Such diversity makes Vertex China more creative, productive and competitive.

- *Vertex China is a Certified Minority-Owned Business*

SUPPLIER CODE OF CONDUCT

Vertex China is dedicated to procuring the best quality goods and services available. We believe that the best quality comes from suppliers who uphold superior morale, ethical and environmental standards. As such, Vertex China pledges to:

- *Insist that vendors do not employ child or forced labor*
- *Require vendors to provide compensation that is at least at the minimum government required amount*
- *Not allow for mistreatment of staff and have an impartial published chain of command for employees to air legitimate grievances without fear of repercussions*
- *Insure factories provide safe working environments and proper safety gear, along with a published training manual that includes safety education*
- *Demand our factories have proper and functional fire alarms, fire extinguishers, evacuation plans and first aid kits, and provide safety training on all*
- *All Vertex China factories must publish and maintain an Environmental Policy that provides safeguards to protect our planet*

Vertex China employs a Quality Assurance team that audits suppliers annually to ensure that our Code of Conduct requirements are upheld.

RUBICON™ HELIX

Super white Rubicon™ comes alive with the gentle hand sculptured embossing of Helix. Classic concentric circles shaped by a hand carved mold gives every piece of Helix a one of a kind look. The super thin rim of Helix is a quintessential characteristic of fine dining dinnerware, but the amazingly strong body and 3 year chip warranty allows Helix to offer the most refined banquet service imaginable.

- *Ultra unique and stylish deep plates help create exceptional food presentations*
- *Helix has graceful cups and saucers for impeccable coffee and tea service*
- *3 Year Chip Warranty*
- *Oval platters, a variety of bowls and hollowware makes Helix a full range*

ORGANICS™

Today more than ever consumers are demanding fresh food – organic, sustainable, and locally sourced. Discerning diners want authenticity, not just in the food and décor, but authenticity in the serveware as well. Moving beyond traditional porcelain dinnerware helps achieve that objective – natural, organic product and product created in the hues of nature work perfectly. Enter Elements™, Essentials™, Woodland™, Orbit™, Obsidian™, and Slate™, a range of new products and collections help take a chef's creation from ordinary to extraordinary.

HIGHLIGHTS:

- *Rustic colors and finishes*
- *Simple and elemental shapes*
- *Rich textures standout and lend a vibrancy to food*
- *Multiple raw materials*
- *Six ranges in the collection*
  - *Elements™*
  - *Essentials™*
  - *Woodland™*
  - *Orbit™*
  - *Obsidian™*
  - *Slate™*
- *Best uses*
  - *Restaurants*
  - *Concierge lounges*
  - *Upscale*

ELEMENTS™

An element is the most basic structure in nature, but when properly arranged forges the most amazing creations. Elements™ dinnerware is a simple yet beautiful building block to the perfect tabletop, and when paired together with food is a stunning presentation.

- *Subtle embossing from the center to the rim*
- *Popular coupe shapes in round, deep and rectangles*
- *Matte finish includes seven colors in all shapes*

SLATE™ PLATE IS A NATURAL STONE PRODUCT

Individual Slate™ pieces may vary in thickness throughout the vessel area, which is not uncommon.

1. Please handle properly when using to avoid injury
2. Hand wash only: rinse with liquid detergent in clean water or scrub with damp cloth. Please wash and dry before using
3. Do not use wire scrubber
4. Do not place slate in the microwave, toaster or oven

UNIVERSAL

The definition of "universal" is: "applicable everywhere", and nothing better describes this collection. Universal is designed to allow you to build a tabletop that best suits today's dining experience. PURE™

Coupe shapes have come a long way from basic institutional or healthcare dining. While still supremely practical for such applications, the simplicity of the coupe profile has become a favorite with culinarians everywhere. With no decoration, adornments, or rims, coupe truly makes it all about the food.

- *Pure™ is a full line that matches round and oval flat coupe shapes with round and oval deep coupes*
- *Bright white porcelain is a favorite of chefs, putting even more focus on the food*
- *Pair with Barista™ for cups and saucer*

AMERICAN CLASSICS

For years soft, cream white dinnerware has graced foodservice establishments from roadside diners to the best in fine dining. American White dinnerware is still a standard today, and Vertex China has the most complete line featuring the classic soft white color tone that helps create a warm, welcoming environment for all. American Classics offers many options from coupe to narrow rim to rolled edge. Our two timeless embossed shapes, Sausalito™ and Kentfield™, round out the offering.

HIGHLIGHTS:

- *Polished foot*
- *Classic American White body*
- *Five ranges in the collection:*
  - *Vista™*
  - *Sausalito™*
  - *Kentfield™*
  - *California™*
  - *Del Mar Green™*
- *Best Uses*
  - *Everyday dining*
  - *High volume*

VISTA™

Vista™ offers the timeless American White body color that is a standard for many operators. With over 120 items, and growing, Vista™ not only offers the required items to build a tabletop, it also has the accessories to specialize the range to adapt to any menu.

- *Vista™'s strong body is perfect for high volume applications and chains*
- *The pasta bowls, bakers and crocks in Vista™ enhance the dinnerware already being used*
- *Pair with Better Values accessories to complete your tabletop*

CUSTOM

With two in-house kilns, Vertex China is one of the few remaining dinnerware suppliers that can control your brand identity and the custom decoration process from start to finish. Custom decorated dinnerware from Vertex China allows you to brand your dinnerware and make it your own.

- *Reinforce your brand identity to your customer*
- *A logo or crest is more cost effective than garnish, and is far more memorable*
- *Short lead-time, low minimum, and hassle free custom decoration with our in-house kilns*
