Melamine Collection

Combining style and durability, Yanco's Melamine Collection is ideal for the demands of the foodservice industry. The lightweight and break-resistant material makes it a practical choice for many dining settings. With a wide range of colors and designs, our melamine dinnerware is built to meet the needs of foodservice while enhancing table presentation.

Tips For Care

- Do not use melamine in ovens or microwaves
- Do not expose melamine to heat in excess of 200° F
- Do not use steel wool or metal pads to clean melamine
- Do not use chlorine based sanitizing solutions on melamine
- Wash melamine products as soon as possible to prevent staining

Glassware Collection

Yanco's Glassware Collection is designed to complement every pour, offering crystal-clear quality and exceptional durability. Whether for fine dining, casual settings, or bar service, our glassware enhances the presentation of drinks while withstanding the demands of daily use. With a variety of styles and capacities, this collection balances practicality and elegance for all beverage needs.

Tips For Care

- Do not overload bus buckets. Always use proper dish racks for dish washing
- Do not use steel wool or metal pads to clean glassware
- Do not use warm glassware to serve cold beverages
- Wash glassware as soon as possible after use to avoid staining
