PALM SPRINGS

Reactive Glaze Porcelain

PMS™

Through stackable rectangular geometries of refreshing light green mint dusted by brownish gold on the rim, "Palm Springs" easily conjures up sea salt-dusted beach towns and warm days by the poolside at any time of year.

This collection, lustrous like sunlight bouncing off waves, possesses a reactive glaze finish that ensures no two pieces ever look exactly the same.

NEPTUNE

The reactive glaze firing of "Neptune" means that no two pieces will end up the same, like the mysterious majesty of the gaseous, blue, ever-changing surface of our solar system's eighth and most distant planet. Solid and strong against everyday wear and tear, this collection's speckled deep azure brings to mind the depth, power, and beauty of the sea and waters overseen by its Roman god namesake.

VENUS

Embodying the dualities and beauty of "Venus" - Roman goddess of love and beauty and the eveningstar and morningstar - this reactive glaze porcelain collection comes in an earthy, neutral dual tone that fits seamlessly into any environment. Like the brightest and hottest planet, second from the sun, "Venus" is fired at high temperatures, rendering it, too, durable and nonporous for daily use.

RAINBOW

Stoneware; R / Y / BLK / G / BLU

R

Through manually brushed color rims, "Rainbow" encourages lively feasts that appeal to both the senses of sight and taste. Its muted but many-hued stoneware construction is playful and resistant against the deterioration of everyday use.

The smooth and graceful design of "666 Japanese Style" is perfect for presenting, center stage, the unadorned freshness of sushi. The reactive glaze options, whose firing technique guarantees the uniqueness of each individual piece, also offer an opportunity for dynamic washes of color that enhance any meal with additional visual interest.
