Dalby Hospitality was founded by Sunny Malesha and Sanjay Joshi with a vision to bring world-class tabletop solutions to the North American hospitality industry. Sanjay first encountered Ariane Fine Porcelain and its founders while curating the tabletop selection for his critically acclaimed restaurant. After choosing Ariane as his premier porcelain solution, he recognized the brand's exceptional quality and its potential for the U.S. market. This led to a partnership that established **Dalby Hospitality as the official and exclusive distributor of Ariane products in North America.**

Dalby's goal is to bring the same quality of product and service that Ariane provides to the global market to hotels, restaurants, cafés, and more across North America. With a Chicago-based warehouse and a dedicated domestic team, Dalby Hospitality ensures seamless service, accessibility, and a commitment to excellence—delivering the elegance, durability, and innovation that define Ariane Fine Porcelain.

MOHENJO DARO

The abstract concentric patterns lend it an exquisite charm. The warm dish, when served in this timeless piece of art takes us back to a time when people gathered around and enjoyed good company by sharing meals. The traditional yet modern-looking Mohenjo Daro collection appeals to a minimalist yet trendy restaurateur.

Celebrate your unique style by adding this exceptional crockery design to your collection.

SLIDE

SLIDE is a modern yet warm collection. SLIDE's round inner bottom creates interesting effects with food even giving the impression of zero gravity space. The contrast between thin edges and high walls highlights the food and adds a contemporary polish to the table.

JAGUAR

The Jaguar collection takes inspiration from the elegant wild felines of the same name. Much like its inspiration, the Jaguar collection is sleek, stylish, bold, and aggressive in terms of its design. It features jaguar-like spots on the tableware to pay homage to its inspiration.

Suitable for cafes and casual dining spaces, the Jaguar collection puts your food in the limelight quite literally, thanks to its reactive glare when interacting with light. The monochrome background gives your plate a warm appearance, allowing endless opportunities for elegant yet bold fine-dining presentations that will certainly leave you amazed at first glance. A unique combination of gloss and matt glaze will leave everyone in awe.

FRECKLES

Freckles are beautiful and unique, just like the Freckle collection it inspired. The stoneware appeal of this collection makes it a perfect choice for modern cafes, as it perfectly complements the cafe aesthetically. The warm brown tones of the Freckle collection can elevate the presentation and plating of food, giving diners a magnificent experience. The freckles are represented in the design of this collection, with spots on the edges to resemble them.

The versatility of this collection is immaculate, as it's suitable for plating a variety of cuisines and dishes. For a unique and complete setup, you can club the freckle collection with the Jaguar collection and create a franken-collection that combines the boldness and subtleties of both.
